Dear Martha,

where shall I ever begin! I can't believe that this is the last year I will sign your annual. I'm going to miss you next year and I want you to yell your heart out at those pep rallies and football games for me, promise me you'll get a Blizzard for me, alright. Stay a great Bearcat, it hurts when it's gone. Words cannot express to you how much you mean to me. That sounds odd coming from a girl but I do love you and I hope we can always come to each other with our problems and share our happiness together. Martha, you seem just like a sister to me and I love your mother to death, she is so sweet and considerate to me. You always seem to care if someone hurts me and if you have a problem you usually come to me, at least I hope you do.

Honey you have no idea how fast next year goes so make it count, not just when you feel like, every second of it. Every little thing is so, so important, you don't really realize it until it is all over. When you walk down the halls you just remember "this is my year and no one is going to knock me around" and don't let them. I may have had the wrong attitude but after October, Martha I just didn't really care, but I realize things differently now. You just remember "Where there is a will there is a way." All will turn out fine if you look at it from there. Like I said when it's over you're glad, but it hurts, deep. You always seemed like when I was happy, you were happy.

To me you are great, no one is going to knock you while I have my two cents worth to put in. I love you and no one is going to talk about "my" Martha. You stay sweet as you are and keep thinking of other people instead of just yourself and you will always have plenty of friends. You are a sweetie and I think your hair is beautiful and when mine gets that long we are going to have our pictures made together.

We have some fabulous memories and many heartaches we share together but they are all a part of our friendship I will never ever forget. All the football games, dances, drags, TAIKS and laughs nothing makes a better conversation than Andy and Gary. They are lovely and Martha I hope if you and Andy really love each other everything will work out fine. I know Andy loves you and you love him and if you do there will be a way for you'll be in each other's life. Bill and I would never have worked but you'll will.

see me everywhere I am. Thank you for everything you have done for me and live safe and May God Bless You.

THIS IS

THE

MOMENT

Recording the highlights of an event-
ful, worthwhile school year has been
the purpose and privilege of those
who compiled the 1967 Paw Prints.
It is our sincere hope that our theme---
"This is the moment"---has preserved
for you the concrete things which will
enable you to relive your wonderful,
inspirational high school years. The
hope of the entire annual staff was to
edit the very best annual ever.

BALLINGER HIGH
SCHOOL
1967

In editing an annual whose theme is "This is the Moment," we wanted to find someone who comes to our minds each time we recall the many memories of Ballinger High School.

We didn't have to look far for this person.

Though we felt your demands extreme, we will admire you for having the stamina to remain steadfast when we belittled you, for your task was great. We are but a small part of your life, but you will ever remain a symbol of the outset of our careers. We are grateful to you for graciously lighting the way to knowledge and understanding so that we might make our generation stand out as a guide post to posterity.

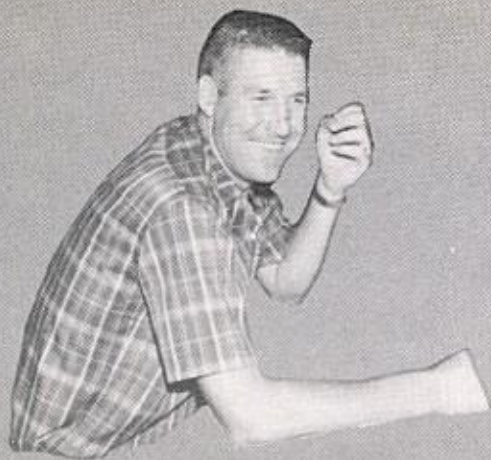

It is because of these qualities that we dedicate the 1967 Paw Prints to you, Mr. Joe Forester.

PORTRAIT OF MY LOVE

The Paw Prints Staff sponsored the 1966-1967 Coronation, December 20, 1966, in the Ballinger High School gymnasium. Under the direction of Mr. J. Weldon Moore, the Choral Club sang a few selections from "The Sound of Music;" then in conclusion the choir sang "Unchained Melody." Immediately following the choir was the presentation of the Favorites and Who's Who. In the middle of the gymnasium was a stone fountain surrounded by grass and a white picket fence intertwined with roses. Also inside the fence were an iron chair and a portrait of a young woman. Mike Bartlett was Master of Ceremonies and Jackie Canada played the processional.

"Hats! Hats! Everybody buys a hat."

Telena really puts her complete self in an experiment.

What silly salesman!

There is a time in all of our lives when we must express ourselves. This was truly a memorable moment for Phillip.

Would you believe he is in a cage?
Would you believe water?

Mickie, do you really think you're a help. . . . or are you a hindrance?

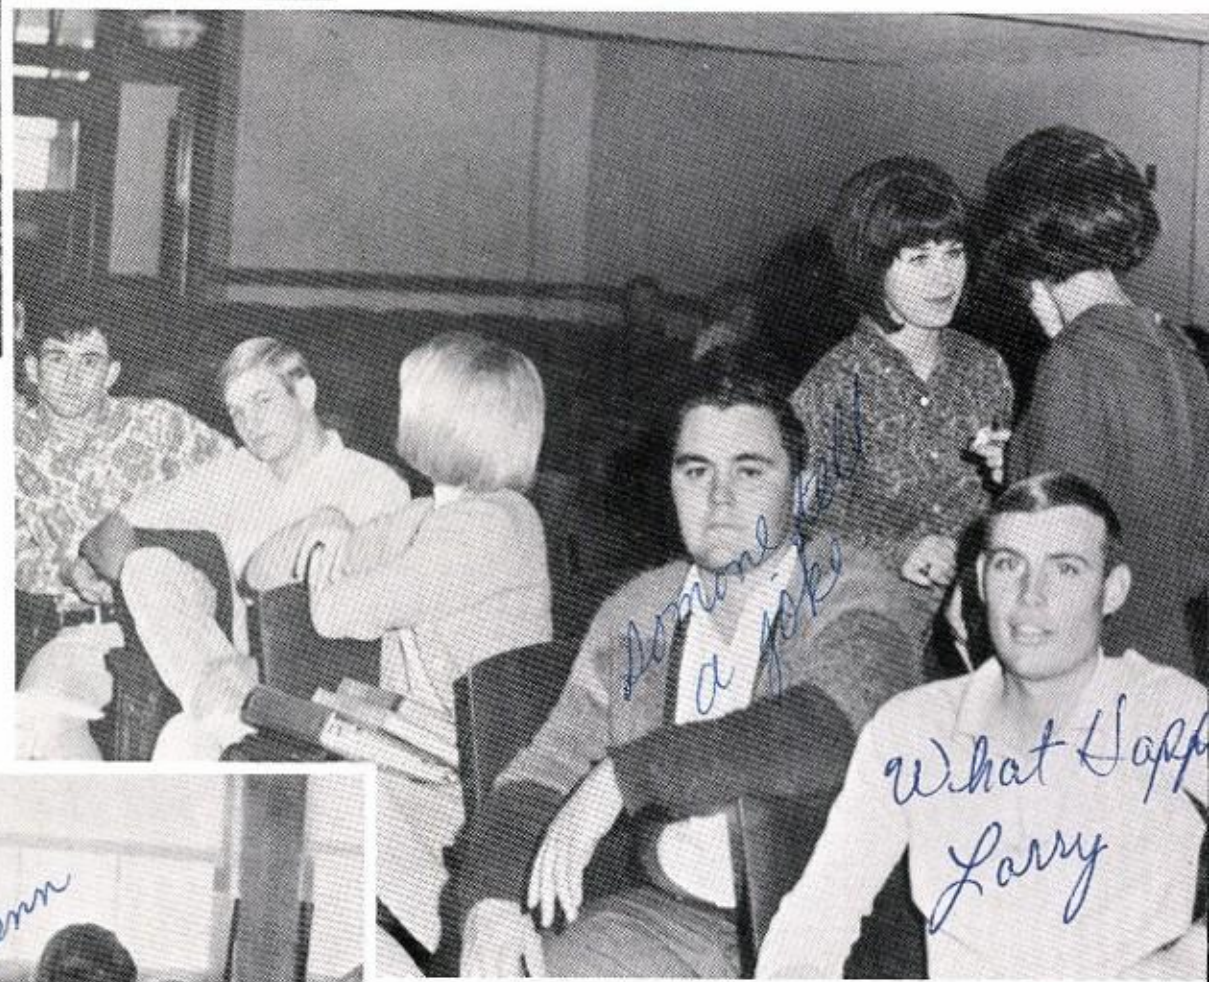

Trying to imitate Mr. Moore's singing is something else.

These are just a few of the many people who were caught going to the stand.

Well, there goes hundreds of dollars of equipment.

These Seniors are anxiously awaiting their next class... would you believe dreading?

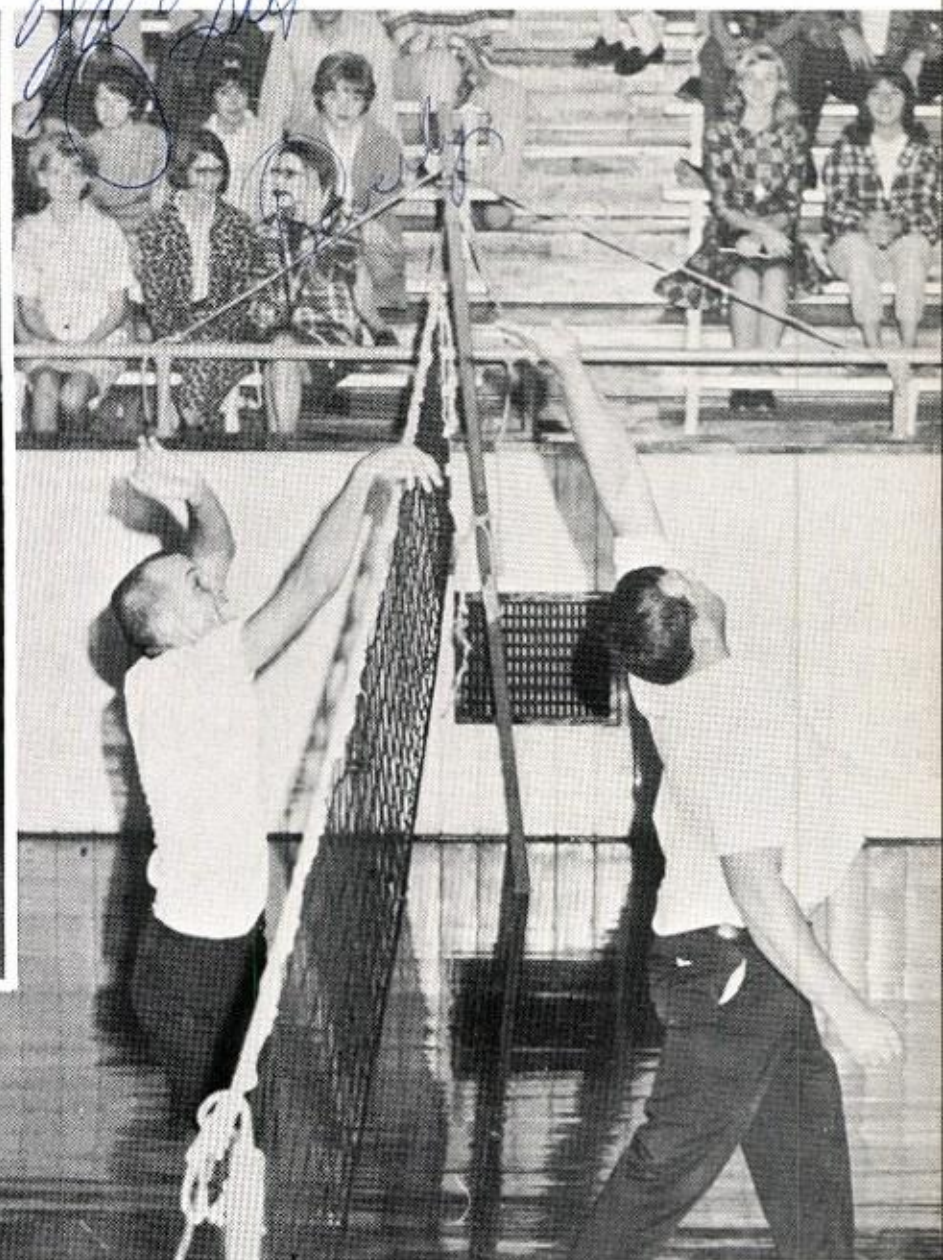

Mr. Traweck telling jokes again.

Ask for a pleasant smile and what do you get?

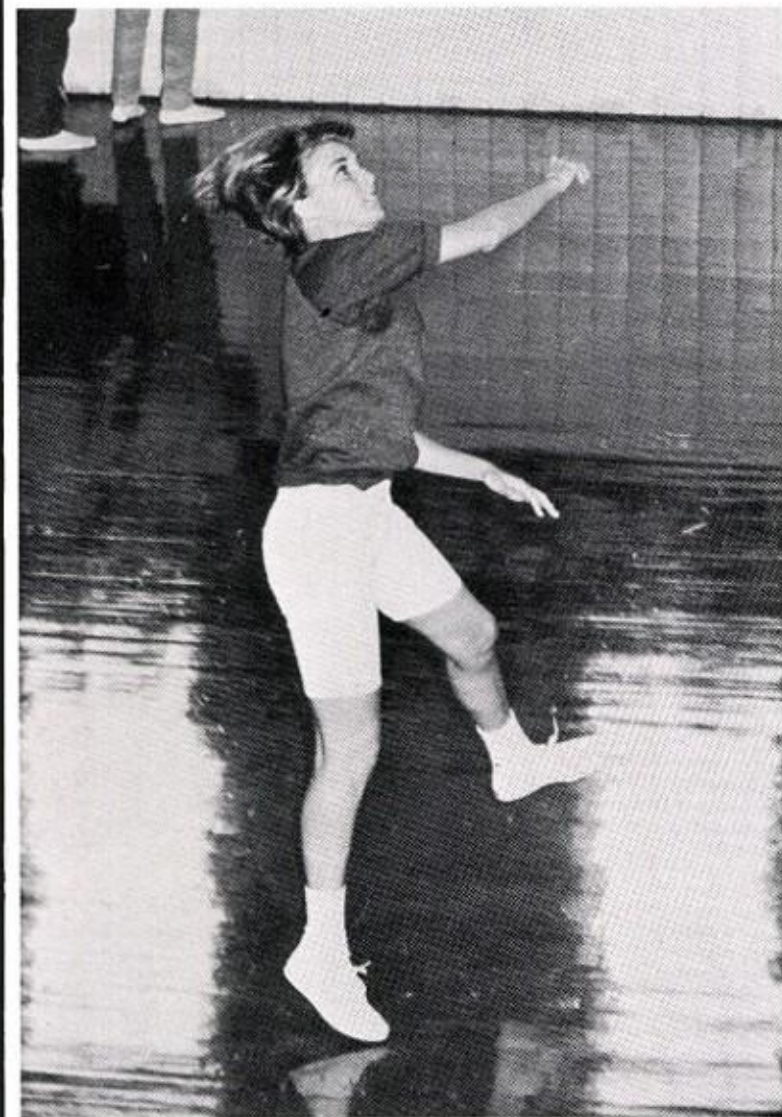

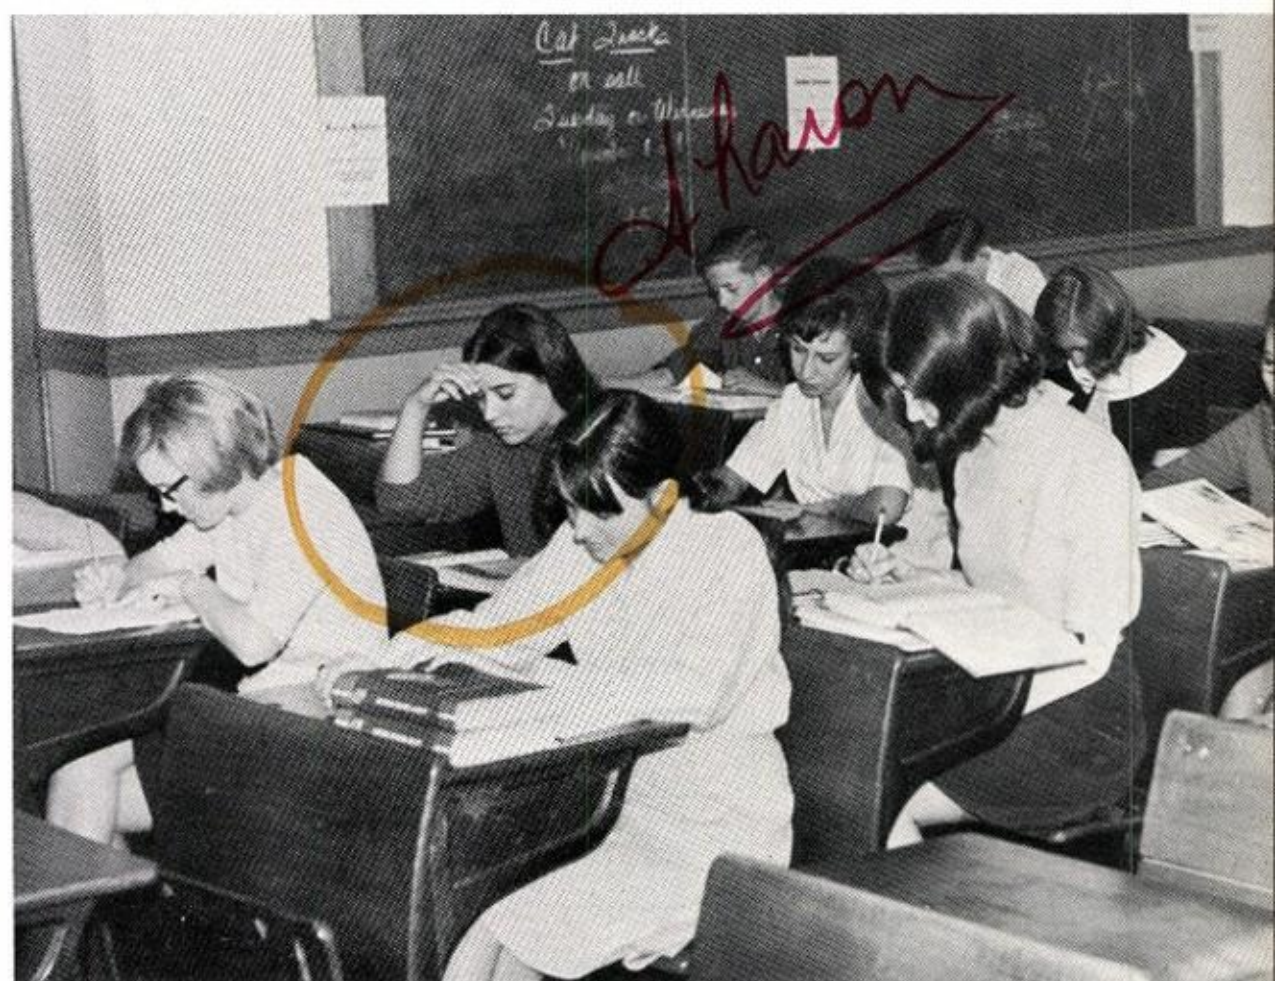

That's all right kids -- make the trophy case look trashy with your signs. We don't care.

Remember men, you're not as young as you used to be.

Hey, Grace, how's charm school?

If you didn't know any better, you'd think these students were studying.

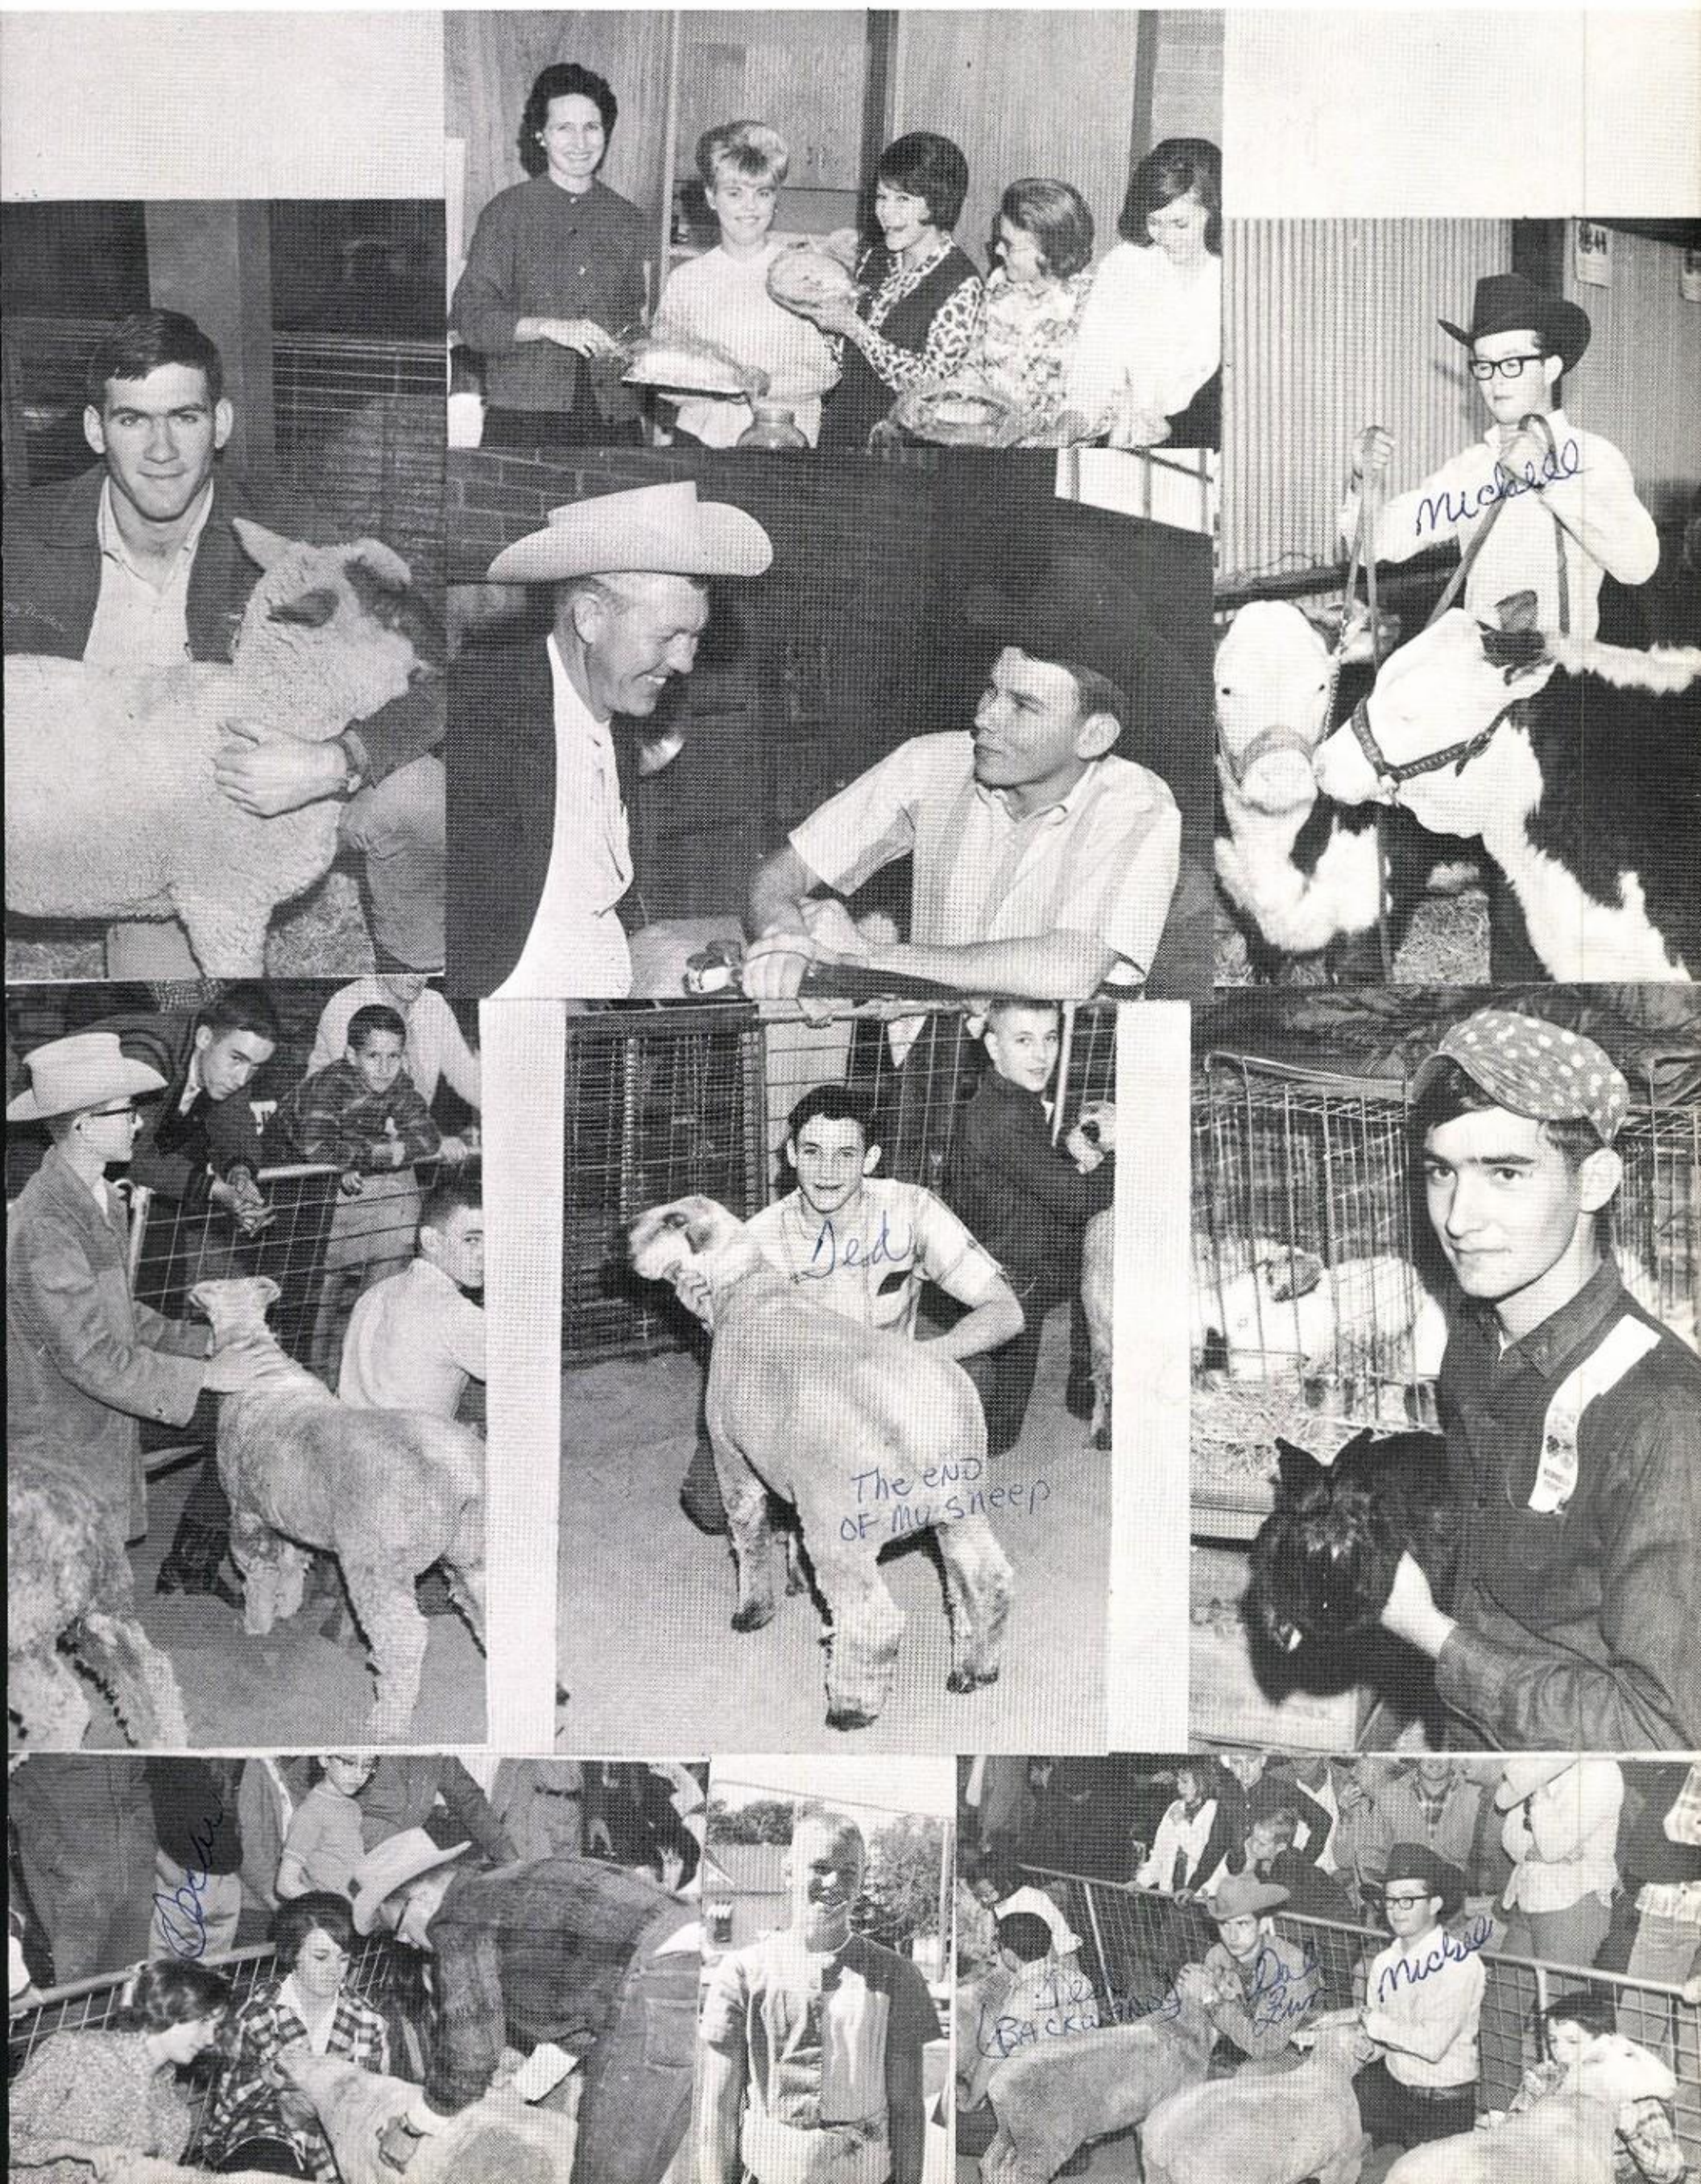

Now Mike can really say, "I want to kiss your hand'."

1966 BEARCAT SCHEDULE

The Bearcat football team coached by Weldon Brevard, Don Flippen, and Larry Phillips completed a class 8AA conference with 6 wins and 4 losses. With the aid of 21 seniors, the red and black blasted out ahead of the other district teams to represent the 8AA district.

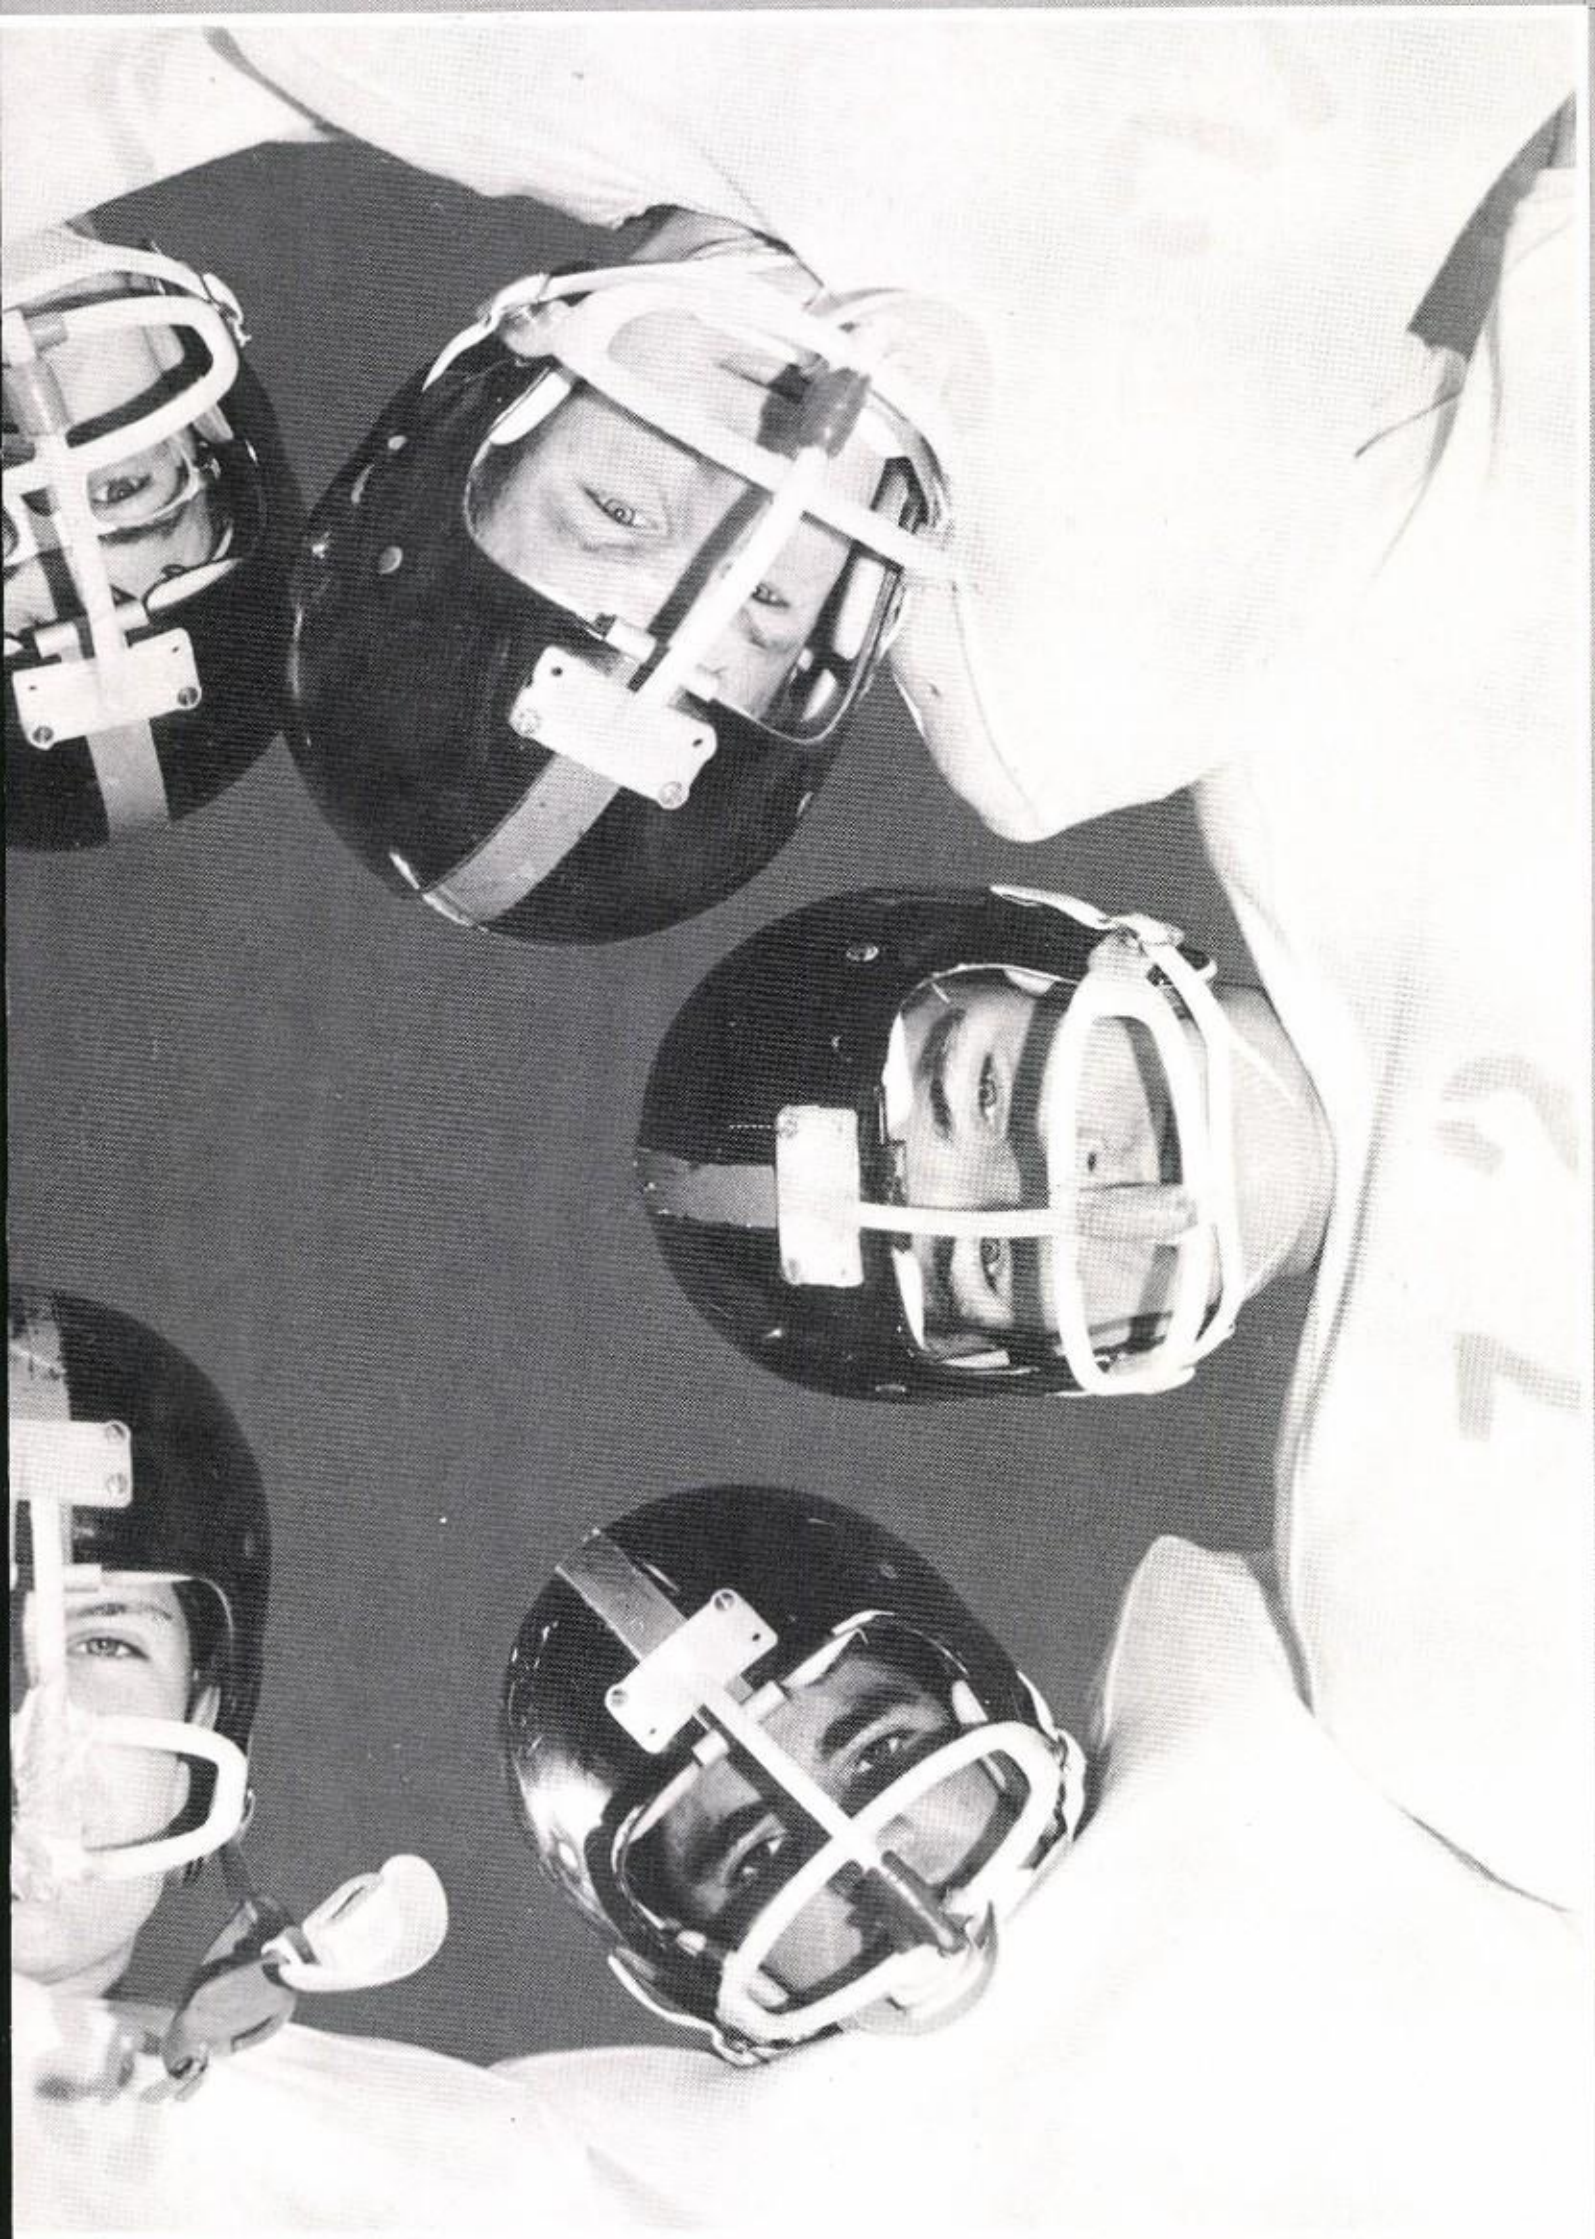

What is it that makes the Bearcats so great? How do they manage to stand out above other teams in the area? We, the Ballinger Bearcats, know that it is the pride that swells in the hearts of every Bearcat. It is the determination, the will to win, and the desire of every Bearcat. It is the inspiration they get from their coaches, and as you may recall Coach Flippen saying many times, "play inspired."

The Bearcats initiated all these qualities. They were a small team, but only in weight. Sportswriters gave the Bearcats the title Mighty Red Ants. This was a very appropriate title, and you can be sure that when those Bearcats play ball there will be sparks flying off that field!

Martha

I have alot to say to you and I really don't know how to start. you will never know what you have done for me this last year. When I started running around with you and talking to you I thought it wasn't much but it made me feel important. I have liked that it made me feel like I was liked by someone other than my family and old friends. I can't thank you for it, I

only hope you understand. We have had a good time the few times we have been together, and I hope you will.

In appreciation for all the hard work and patience that our sponsors have shown, we the Paw Prints Staff of 1967 dedicate this page to our sponsors, Mrs. W. N. Selby and Mr. M. E. Sweeney.

Coming up is our final year in this place called Ballinger High School. Lets fill it with all the life and excitement we can and I hope that neither you or I will ever forget what the Bearcat Spirit is teaching us now.

I'll see you next year and help those boys win the District Championship 1967-68

I'll never forget you, Martha
Thanks for everything

Dear "niece" Martha!

Sea - Seniors '67!

How can I put all our memories onto just this one little page!
All those wild, wild band trips and great football games! Manly.
I know I'll never find the spirit as great anywhere as it is here.
I'm going to miss that most of all! Remember all the fun we had
6th period picking up slips together - gosh, they were heavy! And
all the little trips out the Angelo highway!
